**INFORMATION CIRCULAR**

(as at August 26, 2020 except as otherwise indicated)

**SOLICITATION OF PROXIES**

This information circular (the “**Circular**”) is provided in connection with the solicitation of proxies by the management (the “**Management**”) of Canasil Resources Inc. (the “**Company**”). The form of proxy which accompanies this Circular (the “**Proxy**”) is for use at the annual general meeting of the shareholders of the Company to be held on Wednesday, September 30, 2020 (the “**Meeting**”). The Company will bear the cost of this solicitation. The solicitation will be made by mail, but may also be made by telephone.

**VIRTUAL ONLY MEETING**

The Company is having a virtual only meeting this year, which will be conducted by telephone conference call, as a result of the serious public health impact of the global COVID-19 pandemic, and in response to the recent public health measures enacted by the federal and provincial governments and public health officials to prudently protect the health and well-being of our communities, shareholders, employees and other stakeholders.

The Meeting will be held in a virtual only format by telephone conference call commencing at 10:30 a.m. (Vancouver time) for the purposes set forth in the accompanying notice of Meeting (the “**Notice of Meeting**”).

**Details of Telephone Conference**

Toll-free dial in number: 1 (888) 433-2192 (North America)  
Dial in number: 1 (778) 945-1044 (International)

**APPOINTMENT AND REVOCATION OF PROXY**

The persons named in the Proxy are directors and/or officers of the Company. **A registered shareholder who wishes to appoint some other person to serve as their representative at the Meeting may do so by striking out the printed names and inserting the desired person’s name in the blank space provided.** The completed Proxy should be delivered to Computershare Investor Services Inc. (“**Computershare**”) by 10:30 a.m. (local time in Vancouver, British Columbia) on Monday, September 28, 2020 or before 48 hours (excluding Saturdays, Sundays and holidays) before any adjournment of the Meeting at which the Proxy is to be used.

- (c) attending the Meeting or any adjournment of the Meeting and registering with the scrutineer as a shareholder present in person.

### **Provisions Relating to Voting of Proxies**

**The shares represented by Proxy in the form provided to shareholders will be voted or withheld from voting by the designated holder in accordance with the direction of the registered shareholder appointing him. If there is no direction by the registered shareholder, those shares will be voted for all proposals set out in the Proxy and for the election of directors and the appointment of the auditors as set out in this Circular. The Proxy gives the person named in it the discretion to vote as such person sees fit on any amendments or variations to matters identified in the Notice of Meeting, or any other matters which may properly come before the Meeting. At the time of printing of this Circular, the Management of the Company knows of no other matters which may come before the Meeting other than those referred to in the Notice of Meeting.**

### **Advice to Beneficial Holders of Common Shares**

**The information set forth in this section is of significant importance to many shareholders, as a substantial number of shareholders do not hold common shares in their own name.** Shareholders who hold their common shares through their brokers, intermediaries, trustees or other persons, or who otherwise do not hold their common shares in their own name (referred to herein as “**Beneficial Shareholders**”) should note that only proxies deposited by shareholders who appear on the records maintained by the Company’s registrar and transfer agent as registered holders of common shares will be recognized and acted upon at the Meeting. If common shares are listed in an account statement provided to a Beneficial Shareholder by a broker, then those common shares will, in all likelihood, not be registered in the shareholder’s name. Such common shares will more likely be registered under the name of the shareholder’s broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms). In the United States, the vast majority of such common shares are registered under the name of Cede & Co., the registration name for The Depository Trust Company, which acts as nominee for many United States brokerage firms. Common shares held by brokers (or their agents or nominees) on behalf of a broker’s client can only be voted or withheld at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for the broker’s clients. **Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.**

Existing regulatory policy requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholder meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be

carefully followed by Beneficial Shareholders in order to ensure that their common shares are voted at the Meeting. The form of instrument of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is substantially similar to the instrument of proxy provided directly to registered shareholders by the Company. However, its purpose is limited to instructing the registered shareholder (i.e., the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The vast majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions Inc. (“**Broadridge**”) in Canada. Broadridge typically prepares a machine-readable voting instruction form (“**VIF**”), mails those forms to Beneficial Shareholders and asks Beneficial Shareholders to return the VIFs to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **A Beneficial Shareholder who receives a Broadridge VIF cannot use that form to vote common shares directly at the Meeting. The VIFs must be returned to Broadridge (or instructions respecting the voting of common shares must otherwise be communicated to Broadridge) well in advance of the Meeting in order to have the common shares voted. If you have any questions respecting the voting of common shares held through a broker or other intermediary, please contact that broker or other intermediary for assistance.**

The Notice of Meeting, Circular, Proxy and VIF, as applicable, are being provided to both registered shareholders and Beneficial Shareholders. Beneficial Shareholders fall into two categories - those who object to their identity being known to the issuers of securities which they own (“**OBOs**”) and those who do not object to their identity being made known to the issuers of the securities which they own (“**NOBOs**”). Subject to the provisions of National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), issuers may request and obtain a list of their NOBOs from intermediaries directly or via their transfer agent and may obtain and use the NOBO list for the distribution of proxy-related materials directly (not via Broadridge) to such NOBOs. If you are a Beneficial Shareholder and the Company or its agent has sent these materials directly to you, your name, address and information about your holdings of common shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding the common shares on your behalf.

Pursuant to the provisions of NI 54-101, the Company is providing the Notice of Meeting, Circular and Proxy or VIF, as applicable, to both registered owners of the securities and non-registered owners of the securities. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. By choosing to send these materials to you directly, the Company (and not the intermediary holding common shares on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the VIF. As a result, if you are a non-registered owner of the securities, you can expect to receive a scannable VIF from Computershare. Please complete and return the VIF to Computershare in the envelope provided or by facsimile. In addition, telephone voting and internet voting instructions can be found on the VIF. Computershare will tabulate the results of the VIFs received from the Company’s NOBOs and will provide appropriate instructions at the Meeting with respect to the common shares represented by the VIFs they receive.

The Company’s OBOs can expect to be contacted by Broadridge or their brokers or their broker’s agents as set out above. The Company does not intend to pay for intermediaries to deliver the Notice of Meeting, Circular and VIF to OBOs and accordingly, if the OBO’s intermediary does not assume the costs of delivery of those documents in the event that the OBO wishes to receive them, the OBO may not receive the documentation.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting common shares registered in the name of his broker, a Beneficial Shareholder may attend the Meeting as proxyholder for the registered shareholder and vote the common shares in that capacity. NI 54-101 allows a Beneficial Shareholder who is a NOBO to submit to the Company or an applicable intermediary any document in writing that requests that the NOBO or a nominee of the NOBO be appointed as proxyholder. If such a request is received, the Company or an intermediary, as applicable, must arrange, without expenses to the NOBO, to appoint such NOBO or its nominee as a proxyholder and to deposit that proxy within the time specified in this Circular, provided that the Company or the intermediary receives such written instructions from the NOBO at least one business day prior to the time by which proxies are to be submitted at the Meeting, with the result that such a written request must be received by 10:30 a.m. (Vancouver time) on the day which is at least three business days prior to the Meeting. **A Beneficial Shareholder who wishes to attend the Meeting and to vote their common shares as proxyholder for the registered shareholder, should enter their own name in the blank space on the VIF or such other document in writing that requests that the NOBO or a nominee of the NOBO be appointed as proxyholder and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker.**

All references to shareholders in the Notice of Meeting, Circular and the accompanying Proxy are to registered shareholders of the Company as set forth on the list of registered shareholders of the Company as maintained by the registrar and transfer agent of the Company, Computershare, unless specifically stated otherwise.

### **Financial Statements**

The audited financial statements of the Company for the year ended December 31, 2019, together with the auditor's report on those statements and Management Discussion and Analysis, will be presented to the shareholders at the Meeting.

### **VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES**

As at August 26, 2020, the Company's authorized capital consists of an unlimited number of common shares of which 117,121,622 common shares are issued and outstanding. All common shares in the capital of the Company carry the right to one vote.

As the Meeting is a virtual only Meeting, which will be conducted by telephone conference call, Shareholders registered as at August 26, 2020, are encouraged to complete, date and sign the form of proxy and return it to Computershare Investor Services Inc. as set forth in the accompanying Notice of Meeting. Shareholders will not be able to vote through the conference call.

Shareholders who wish to be represented by proxy at the Meeting must, to entitle the person appointed by the Proxy to attend and vote, deliver their Proxies at the place and within the time set forth in the notes to the Proxy.

To the knowledge of the directors and executive officers of the Company, as of the date of this Circular, no persons beneficially own, directly or indirectly, or exercise control or direction over, 10% or more of the issued and outstanding common shares of the Company.

### **ELECTION OF DIRECTORS**

The directors of the Company are elected annually and hold office until the next annual general meeting of the shareholders or until their successors are elected or appointed. The Management of the Company

proposes to nominate the persons listed below for election as directors of the Company to serve until their successors are elected or appointed. In the absence of instructions to the contrary, Proxies given pursuant to the solicitation by the Management will be voted for the nominees listed in this Circular. Management does not contemplate that any of the nominees will be unable to serve as a director. The number of directors of the Company was previously set at five. Shareholders will be asked at the Meeting to pass an ordinary resolution to set the number of directors for the ensuing year at four.

Pursuant to the advance notice policy adopted by the Board of Directors (the “**Board**”) on March 19, 2014, any additional director nominations for the Meeting must have been received by the Company in compliance with the advance notice policy no later than the close of business on August 26, 2020. As of August 26, 2020, no such nominations were received by the Company.

The following table sets out the names of the nominees for election as directors, the offices they hold within the Company, their occupations, the length of time they have served as directors of the Company, and the number of shares of the Company which each beneficially owns, directly or indirectly, or over which control or direction is exercised, as of the date of this Circular.

The Company is a "venture issuer" as defined in NI 52-110 and is relying on the exemption in section 6.1 of NI 52-110 relating to Parts 3 (*Composition of Audit Committee*) and 5 (*Reporting Obligations*).

## CORPORATE GOVERNANCE DISCLOSURE

National Instrument 58-101 - *Disclosure of Corporate Governance Practices*, requires all reporting issuers to provide certain annual disclosure of their corporate governance practices with respect to the corporate governance guidelines (the "**Guidelines**") adopted in National Policy 58-201. These Guidelines are not prescriptive, but have been used by the Company in adopting its corporate governance practices. The Board and Management consider good corporate governance to be an integral part of the effective and efficient operation of Canadian corporations. The Company's approach to corporate governance is set out below.

### Board of Directors

Management is nominating four individuals to the Board, all of whom are current directors of the Company.

The Guidelines suggest that the board of directors of every reporting issuer should be constituted with a majority of individuals who qualify as "independent" directors under NI 52-110, which provides that a director is independent if he or she has no direct or indirect "material relationship" with the Company.

The “material relationship” is defined as a relationship which could, in the view of the Company’s Board, reasonably interfere with the exercise of a director’s independent judgement. All of the current members of the Board are considered “independent” within the meaning of NI 52-110, except for Bahman Yamini, who is the President and CEO of the Company.

The Board has a stewardship responsibility to supervise the management of and oversee the conduct of the business of the Company, provide leadership and direction to Management, evaluate Management, set policies appropriate for the business of the Company and approve corporate strategies and goals. The day-to-day management of the business and affairs of the Company is delegated by the Board to the CEO and the President. The Board will give direction and guidance through the President to Management and will keep Management informed of its evaluation of the senior officers in achieving and complying with goals and policies established by the Board.

The Board recommends nominees to the shareholders for election as directors, and immediately following each annual general meeting appoints an Audit Committee and Compensation Committee and the chairperson of each committee. The Board establishes and periodically reviews and updates the committee mandates, duties and responsibilities of each committee, elects a chairperson of the Board and establishes his or her duties and responsibilities, appoints the CEO, CFO and President of the Company and establishes the duties and responsibilities of those positions and on the recommendation of both the CEO and the President, appoints the senior officers of the Company and approves the senior management structure of the Company.

The Board exercises its independent supervision over Management by its policies that (a) periodic meetings of the Board be held to obtain an update on significant corporate activities and plans; and (b) all material transactions of the Company are subject to prior approval of the Board.

The mandate of the Board, as prescribed by the *Business Corporations Act* (British Columbia) (the “Act”), is to manage or supervise management of the business and affairs of the Company and to act with a view to the best interests of the Company. In doing so, the Board oversees the management of the Company’s affairs directly and through its committees.

### **Directorships**

The following directors of the Company are also directors of other reporting issuers as stated:

- Michael McInnis is a director of Victoria Gold Corp. and Abacus Mining & Exploration Corp.;
- Arthur Freeze is a director of Orex Minerals Inc., Barsele Minerals Corp.; and Silver Viper Minerals Corp.
- Alvin Jackson is a director of Freegold Ventures Limited, International Samuel Exploration Corp. and Finlay Minerals Ltd.

### **Orientation and Continuing Education**

The Company does not have a formal orientation and continuing education program. However, the Company ensures that new board members are properly trained and oriented as part of the Board of Directors’ overall stewardship responsibility. The Board is responsible for supervising Management in carrying on the business and affairs of the Company. Directors are required to act and exercise their

powers with reasonable prudence in the best interests of the Company. The Board discharges the following responsibilities as part of its overall stewardship responsibility:

- the strategic planning process of the Company;
- identification and management of the principal risks associated with the business of the Company;
- planning for succession of Management;
- the Company's policies regarding communications with its shareholders and others; and
- the integrity of the internal controls and management information systems of the Company.

### **Ethical Business Conduct**

The Board encourages and promotes a culture of ethical business conduct through communication and supervision as part of their overall stewardship responsibility.

### **Nomination of Directors**

The Board identifies new candidates for board nomination by an informal process of discussion and consensus-building on the need for additional directors, the specific attributes being sought, likely prospects, and timing. Prospective directors are not approached until consensus is reached.

### **Compensation Committee**

The Compensation Committee is a committee comprised of three directors whose primary purpose is to enable the Company to recruit, retain and motivate employees and ensure conformity between compensation and other corporate objectives and review and recommend for Board consideration, all compensation packages, both present and future, for the Company's Management and directors (including annual retainer, meeting fees, bonuses and option grants) including any severance packages. A majority of the members shall not be officers or employees of the Company and shall be unrelated, independent directors.

Members of the Compensation Committee shall be appointed or reappointed at the meeting of the Board following the Company's annual general meeting and from among the appointees to the Compensation Committee, the Board shall appoint a chairperson (the "**Compensation Committee Chairperson**"). The duties of the Compensation Committee Chairperson include overseeing the proper functioning of the Compensation Committee to ensure the proper discharge of its duties, to schedule meetings and to ensure timely reporting to the Board.

The Compensation Committee will meet as often as may be necessary or appropriate in its judgment.

In exercising its mandate, the Compensation Committee sets the standards for the compensation of directors, employees and officers based on industry data and with the goal to attract, retain and motivate key persons to ensure the long term success of the Company. Compensation generally includes the three (3) following components: base salary, annual bonus based on performance and grant of stock options. The Compensation Committee takes into account the context of its activities and increased competition in the market for its key personnel while also taking into account the performance and objectives set forth for the Company.

The Compensation Committee is accountable to the Board and reports to the Board at its next regular meeting all deliberations and actions it has taken since any previous report. Minutes of Compensation Committee meetings will be available for review by any member of the Board on request to the Compensation Committee Chairperson.

The members of the Compensation Committee are Michael McInnis, Alvin Jackson and Arthur Freeze.

### **Assessments**

The Board annually reviews its own performance and effectiveness as well as the effectiveness and performance of its committees. Effectiveness is subjectively measured by comparing actual corporate results with stated objectives. The contributions of individual directors are informally monitored by other Board members, bearing in mind the business strengths of the individual and the purpose of originally nominating the individual to the Board.

The Board monitors the adequacy of information given to directors, communication between Board and Management and the strategic direction and processes of the Board and its committees.

The Board believes its corporate governance practices are appropriate and effective for the Company, given its size and operations. The Company's corporate governance practices allow the Company to operate efficiently, with checks and balances that control and monitor Management and corporate functions without excessive administration burden.
